**We can fill the National Mall if all of us do 3 things:**

- 1**  
**Come to D.C.**  
Washington, D.C. needs to prepare for you. Let's tell the Parks Department how many are coming so they'll release the whole mall.  
**252125**

**Invite people.**  
It's time for a family gathering. Not just some of the family; not just the people who look like us and think like us. All of us. Invite everyone.

## The Message at Yankee Stadium

If America wants to keep the blessing of God as the leading nation of the world, it must form a partnership with God.

## The Message at Yankee Stadium

With Him, America deserves the blessing and can remain as the mightiest nation. If you allow God to leave America, however, this nation will decline ...

## The Message at Yankee Stadium

If there is an illness in your home, do you not need a doctor from outside? If your home catches on fire, do you not need fire fighters from outside?

## The Message at Yankee Stadium

God sent me to America in the role of a doctor, and as a fire fighter. Good medicine may taste bitter, and an operation may involve pain, but the treatment must begin at once.

## The Message at Yankee Stadium

Godism has the power to awaken America, and it has the power to raise the model of the **ideal nation of God** upon this land.

## The Message at Yankee Stadium

With that done, the rest of the world will **follow America's example** and will build the Kingdom of God upon their respective lands.
