

***Mary O'Brien Cordill,
Berkeley, California, 1969***

I joined the Unified Family under the loving leadership of Dr. Edwin and Marie Ang in the fall of 1969. I was blessed to Perry Cordill among the 1800 Couples in Seoul, Korea in 1975. We have one wonderful son, Jerick Cordill, born in 1986. Just months after the Blessing, I went to Ghana, West Africa, where I helped establish the Unification Church with Takashi Yamashita and Kathi Bacher. I had wonderful, life-changing experiences there. I feel grateful to have spent years working alongside my husband in our missions in England, Los Angeles, the International One World Crusade, Chicago, Las Vegas, and in the process to have met and worked with many wonderful brothers and sisters. I am grateful to True Parents for this very blessed life. Thank you!
