

My Plans for My Internet

The internet is an amazing place where you can learn *anything!* Unfortunately, some people have abused this freedom and are making material available that impacts your attempts to lead a pure lifestyle. It may seem harmless because it's just the internet, but it's important to have a plan in action for when you are confronted with potentially harmful situations.

Please fill out this form with honest ideas and answers. You can fill in as many or as little ideas in each section, but please fill out at least one answer for each section.

1. I use the following online chatting and messaging services:
2. I have the following guidelines for my online messaging conversations:
3. I use the following social media websites:
4. I have the following guidelines regarding what type of personal information I put on my page:
5. When talking online with people I have only met online and do not know in real life I have the following guidelines:
6. When I come across inappropriate content online such as images, videos, and conversations that are sexual in nature, I...
7. If someone I have met online asks me to meet in person, I have the following guidelines:
