Participant & Community Pledge

Il Shim Pledge

I promise to make sincere effort to develop my relationship with God and my life of faith through prayer and through my lifestyle.

I will strive to inherit the
Unificationist traditions of honoring
True Parents, upholding the value of
the Blessing by maintaining my sexual
purity until the Blessing, and living for
the sake of others.

I commit to the process of growing and deepening my relationship with my parents by practicing healthy and open communication.

I will endeavor to find ways to serve my local church community and wider society with my unique passions and talents.

Community Pledge

We promise to be examples of healthy relationships with God, True Parents, and our Families through our daily habits and testimony.

We will strive to create an atmosphere of love and encouragement as you grow and prepare for your future life as a Blessed Family.

We commit to making space for you to be involved in our community so that you can express your God-given passions and talents.

We believe in you, trust you, and
are very excited to see the things
you will accomplish!
