IL SHIM PLEDGE

1. I promise to make sincere effort to develop my relationship with God and my life of faith through prayer and through my lifestyle.
2. I will strive to inherit the Unificationist traditions of honoring True Parents, upholding the value of the Blessing by maintaining my sexual purity until the Blessing, and living for the sake of others.
3. I commit to the process of growing and deepening my relationship with my parents by practicing healthy and open communication.
4. I will endeavor to find ways to serve my local church community and wider society with my unique passions and talents.

COMMUNITY PLEDGE
