Global Peace Festival

***"One day we must come to see that peace is not merely a distant goal we seek, but that it is a means by which we arrive at that goal. We must pursue peaceful ends through peaceful means."***

## About Global Peace Festival

The Global Peace Festival (GPF) promotes and celebrates persons and programs that contribute to reconciliation, mutual respect, harmony and cooperation among the members of the whole human family as “One Family Under God”.

In concert with its diverse partners, GPF encourages programs that strengthen God-centered marriages and families, facilitates intercultural and Interreligious cooperation, and fosters a culture of peace and service.

GPF-USA 2008 is the celebration of the ongoing initiatives of Acts of Service, Leadership Forums, and Outreach Efforts that are bringing together the diversity of the human family. Partner with us as we unite in celebrating through entertainment, cultural activities and inspiration on Saturday, August 9, 2008 on the National Mall in Washington, DC.
