

# INTEGRATED PSYCHIC PHENOMENA

*A New Experimental Course*

Lecture, Slides, Discussion

The scientific, subjective and moral aspects of this growing field of study will be covered in light of principles. The class is open to all who have an interest in the subject topic.

Two books will be the basis for discussion:

*Psychic Discoveries Behind the Iron Curtain*  
by Sheila Ostrander and Lynn Schroeder

*Unknown But Known*  
by Arthur Ford

The teacher of the course is Michael Young Warder, A.B. Stanford, 1968, who is President of the International Re-Education Foundation and who has studied and lectured on the subject for four years.
