This pilgrimage is designed for first-time pilgrims who have not yet visited the Training Centre, as well as for those who have not visited in recent years. It is open to youth members who wish to deepen their faith and spiritual life at the HJ Cheonwon Complex, a place created by True Parents for all to experience and realise their identity as God's children.

Additionally, we will embark on a 3-day Holy Ground Tour, visiting sacred sites across South Korea, including Cheon Won Gung, the beautiful earthly home of our Heavenly Parent.

Workshop Fee: 500€

The fee covers food, accommodation, and the Holy Ground Tour.

For those wishing to extend their stay, you can join the second half of the EUME 40-day Unification Spirituality Workshop (23rd August - 12th September) for an additional 235€.
