

True Parents and Conspiracies

Years ago Peter Nordquist told me a story. He said in a Belvedere(?) speech Father looked and pointed at him and said something to the effect that 'because of you I couldn't be born in America'. It quickly brought many loose ends together in my mind. Today it helps validate many New World Order / Illuminati claims. God's and True Parents' way is to go deep into Satan's den and change things from within.

Studying Father saying he should have been born in the United States & have married into the British throne, brings a new meaning. The Illuminati & NEw World Order (NWO) point to the British throne being the center of something not good at best. It's clear God aimed to create His royal cosmic level family & kingdom starting by having Father marry into Satan's royal elite, the British throne, the supposed center of Satan's domain. Conspiracy? Some people clearly see Satan behind history. Father talked of supporting the Bush family and many of the US presidents. Weren't their blood lines linked to the British royal family? It's Heavenly Father's way of conquering Satan.
