Nightly Prayer for Greg's peaceful ascension at 9 PM

Dear Brothers and Sisters,

It is with a heart of deep love and sadness that we announce the sudden passing of our dear brother Greg Carter.

Last night, Saturday, March 5, 2022 Greg Cater had what seems like a heart attack while at his home around dinner time. His daughter Enya was home with him and called 911, but they couldn't revive him.

We ask for your prayers from now as the Carter family friends begin to put plans together for caring for Enya and for the upcoming services.

Please join a **Nightly Prayer for Greg's peaceful ascension at 9 PM** by Zoom at zoom.us/j/5786717257. Passcode: 2027.

More information about the Seonghwa is forthcoming. Thank you for your Prayers
