July 29, 2014

Since its establishment in the first year of Cheon Il Guk (the heavenly kingdom), the Universal Peace Academy (UPA) has put unceasing effort into educating young leaders who will guide the providence with spirit and truth in accordance with True Parents' special directions. This is to announce the recruitment of the 3rd enrolling class of UPA cadets. UPA is a unique opportunity to study and understand our Heavenly Parent and True Parents and to learn how to contribute to the providence and the world.

We are looking for Unificationists 39 years old or younger, with a model life of faith, good physical health, and a clear understanding of the providence. Applicants must hold a four-year university degree or one of equal or higher status and have a good demeanor and personality.

Candidates will have to undergo a rigorous application process. Applications will be taken between August 1-31. Recruits from abroad will then be selected between September 1 and the middle of October, 2014 at sites that will be named later. Potential recruits living in Korea will be selected between October 3 to 5, 2014, at a location to be announced later. Entrance exams will consist of a Divine Principle test, an English language test, a physical ability test, a Korean language test (for foreigners to Korea only), and an in-depth interview. New recruits will be announced at the end of October 2014.

Those who commit to the three-year course and graduation requirements will receive a full scholarship including the tuition fee, dormitory fee, UPA uniforms and all educational expenses covered through True Parents' scholarship.
