March 27, 2015

On March 27th, 2015, the Affiliate Companies Assembly 2015 was held at the Hyundai Hotel in Gyeongju attended by the Hyundai Daimosu, Hyundai KIA Motors Corporation employees and affiliate company representatives.

At the Affiliate Companies Assembly that day, a seminar took place covering the current economic situation and policies of the Hyundai Daimosu. On that day, eight outstanding companies including TIC© were also awarded with an appreciation plaque and monetary prize. Due to its new product developments in 2014, TIC was recognized by Daimosu as a partner with high potential for growth and was selected as

the Outstanding Partner Company.

TIC, which was recognized as having the most potential for growth by Hyundai Daimosu, the core affiliate company that supplies parts to Hyundai KIA Motors, hopes to achieve its business goals for 2015; and it can be said that their enthusiasm for continuous growth has increased.
