

# Happy 55<sup>th</sup> Day of All True Things

God invested everything, all the energy He had.  
By investing the full power of His love,  
He created all things as offerings and gifts  
for His beloved sons and daughters who  
were to come, His beloved future family.

True Father  
23 March, 1970

Dear Brothers and Sisters,

Happy 55<sup>th</sup> Day of All True Things to you and your families!

On this Holy Day that we frequently celebrate outdoors, appreciating the warmer weather, let us remember the heart of love and expectation of our Heavenly Parent as He carefully made all the beautiful things of creation, investing such detail and artistry in order to bring joy to His sons and daughters.

Let us rededicate ourselves to the goal of becoming the true children of our Heavenly Parent, through which all creation can rejoice.

Sincerely,  
Jack and Renee Corley,  
European continental director
