Urgent: Come to Las Vegas to distribute your 430 autobiographies

Joshua Cotter

March 15, 2011

Dear Brothers and Sisters,

On behalf of our Senior Pastor, Rev, In Jin Moon, I would like to extend an invitation to all of our families in America to come to Las Vegas and fulfill your 430-books distribution of Father's autobiography, *As a Peace-Loving Global Citizen*. True Parents have given the direction that 120,000 copies of the autobiography are to be distributed in Las Vegas, and until now, our faithful Japanese missionary sisters have distributed over 50,000 in Las Vegas, purchasing the books themselves. We want to complete this condition, as True Parents have asked, as quickly as possible. The final 70,00 books should be the responsibility of the blessed families in America.

So, if you would like to participate in this providential activity, please contact your District Pastor about it. You will need to purchase the books at \$5.00 each and then come to Las Vegas and work with the distribution team, under the direction of the newly appointed State Leader, Rev. Staffan Berg. We will provide a place for you to stay while you are in Las Vegas.

True Parents are deeply grateful for all of our blessed families who have been distributing nearly 300,000 of the autobiographies until now in America. We are also planning to publish the autobiography in Spanish. Our team has done 5 revisions of the Spanish translation and we feel that the transcript is ready to be published.

The Las Vegas providence is very urgent and important to True Parents. It is a great way for your family to connect directly to their heart, by going there to complete your book distribution.

Thank you and may God bless your family,

Rev. Joshua Cotter
