At the final day of the Purification Azalea Festival for the Inheritance of Heavenly Fortune (May 11) the Holy Items Lottery Event was held in the main hall of Cheonseong Wanglim Palace at 4 pm with Dae Mo Nim.

The Holy Items Lottery Event is an event of receiving holy items of True Parents who gave it to commemorate this Special Great Works. Winners get to receive a certificate of affirmation issued by the Cheon Jeong Gung Museum.

A total of 79 items including the Heavenly Fortune Rocks were given to lucky members. The members held their ticket in their hand and waited until their names were called.

Dae Mo Nim said before she started to pick out the tickets, 'Once True Mother gives us the holy item I first bring it to Chung Pyung in my prayer room and offer a prayer then return to Cheon Jeong Gung to be boxed beautifully and then bring it back to the training center. Let us offer our gratitude to True Parents who always bestow this holy items to the members at each Special Great Works and I ask you to become filial sons and daughters and fulfill your responsibility.'

All the winners jumped up and down when their names were called. Some couldn't believe that they were chosen. Dae Mo Nim handed out each holy item to each member and also shook their hands.

It was a beautiful moment for all members, winners and those who didn't win. It was a time to share the joy and blessing that we received from True Parents of Heaven, Earth and Humankind.

The Holy Items Lottery Event started from the 'Special Great Works to Commemorate the 15th Anniversary of Chung Pyung Works' (January 15-17, 2010) and more than 1,000 items have been given out.
