Experiencing Shim Jung through the Food Festival

On August 5 the Food Festival was held at the Dinning Hall of Cheonseong Wanglim Palace with Heung Jin Nim and Dae Mo Nim and around 1,000 members of the Japan and International Blessed Children and 40-day workshop members.

The Food Festival is prepared every year for the students who are attending a workshop in summer at Chung Pyung Heaven and Earth Training Center and it is a festival of sharing food and watch performances by each other during this time.

Rev. Yeong-ho Ha, the president of Chung Pyung Heaven and Earth Training Center said that 'With the love of Dae Mo Nim who wants all the trainees to enjoy the beautiful and delicious food with a grandmother's heart, I hope that this Food Festival will be a beautiful place that unites all the 2nd and 3rd generations from around the world.'

Especially, Elbon, CheongShim Organization, prepared Hamburgers, fried chicken and French fries were a hit for all the students. The trainees were so happy to eat something that they were familiar to eat.

There were several performances prepared by the 40-day workshop trainees and international 2nd generation members. The atmosphere was really great and passionate that it could have been better than the time at CheongShim Peace World Center for the 2014 CheongShim Music Festival.
