On September 25 the 1st Won-gu Peace Cup for the 40-day Workshop trainees was held at a public field in Seorak town.

The Won-gu Peace Cup was held to inherit the mindset of 'Won-gu Peace Cup' which was found by True Parents of Heaven, Earth and Humankind with a purpose to substantialize an ideal world of creation engrafted by sports from the principle point of view.

It was also a beautiful time for the 40-day workshop members who everyday attend Chanyang, lectures and Hoon Dok Hae and come out under the beautiful sun and run around and play sports.

This tournament was held with Mr. Toshiaki Yokoi, lecturer from the Japanese Office as the Emcee. After a report prayer by Rev. Dong-bae Kim, a speech was given by Rev. Yeong-ho Ha, President of Chung Pyung Heaven and Earth Training Center.

After a brief stretching and loosen up the members started the sports tournament from 2:10 pm.

There were 3 teams; Team Japan, Team Korea and Team International. The men played basket ball and soccer and the women played dodge ball.

After a very intensive play Team Japan won for soccer, dodge ball making them the grand winners. The Team International won over the basket ball.

Rev. Ha gave the Winner's Flag to the winning team and said, 'I hope that you can deeply understand the value and meaning of this Won-gu Peace Cup Tournament and connect this to others'
