Members from around the world gathered to Chung Pyung Heaven and Earth Training Center to attend the '2014 Autumn Chung Pyung Special Great Works'. By the 2nd day of the Special Great Works the training center was covered by thousands of members.

In the morning of the 2nd day, through their words, Heung Jin Nim and Dae Mo Nim said, 'After going to the spirit world True Father offered much devotion. That is the expression of love of True Parents of Heaven, Earth and Humankind for the members so that they could receive greater love and blessing.'

At the Fulfillment of Wishes Papers Prayer (Wish Paper Prayer) the members wrote a Wish Paper and offered it at the Jeongshim Won (Prayer Hall). Through this the members were able to report of their selves in front of the Heavenly Parent and be reborn.

The members received great grace as they offered their prayer at Dae Mo Nim's Prayer Room which was held on the 1st and 2nd day of the Special Great Works. It is a place of great foundation of devotion.

To make sure that we could inherit this grace and with the meaning of purifying us the 'Special Holy Burning Ceremony' will be held.'
