October 16, 2014

Interested in hosting an elegant and meaningful Blessing Ceremony for the couples in your local community or district? Join our **2015 Blessing Ceremony Prep Support Series for Ministry Leaders** on October 30th at 9pm (EST)! Participants in this 3-part webinar series will learn how to:

- Create a Blessing prep team
- Prepare couples to receive the Blessing
- Prepare for and organize a Blessing Ceremony
- Host a successful Blessing Ceremony

We are inviting all Pastors and Ministry Leaders who will be involved in planning and hosting a Blessing Ceremony locally.

NOTE: There will NOT be a nationwide Blessing Ceremony held in the U.S. Therefore, each community/district is encouraged for organizing and conducting their own Blessing Ceremony for the couples in their community/district that will not attend the Blessing Ceremony in Korea. However, the National BFM will support your local Blessing Ceremony with resources, finances, and promotion upon your request. Register to learn more!
