After more than a month of having our service projects in the afternoons and evenings, Shine City Project returned to volunteering on a Saturday morning! On July 31, 2021, our Shine City Project volunteers arrived at the Las Vegas Rescue Mission to help provide assistance in the kitchen and dining facility! With our Shine City Project director away, our group was led by Andrés! We had five volunteers representing Shine City Project.

For the first two hours, our volunteers helped to wrap up cookies and fold laundered rags and aprons. There were many cookies, rags, and aprons that needed to be taken care of. After working tirelessly, our group also helped to serve lunch for residents at the Las Vegas Rescue Mission! On the menu was fried chicken! As we were serving, we were able to have good interactions with those who came for lunch. After everyone enjoyed their lunch, we closed the dining hall and cleaned up.

After working at the Las Vegas Rescue Mission for four hours, our Shine City Project volunteers needed some much-needed rest and relaxation! We headed over to Harrison House and met our Aunt

Katherine Duncan! From the Las Vegas Rescue Mission, we brought over some fried chicken for her to enjoy as a way to show our appreciation! In return, we had a home-cooked meal consisting of baked chicken, as well as rice, and mac and cheese! To finish our time at Harrison House, we also received a tour of Harrison House! We appreciate Aunt Katherine for her hospitality!
