### Special Donation for the 10th Anniversary of True Father's Ascension

Thank you all for your heart and dedication in support of Heavenly Parent and True Parents' providence in America. As you know, this year marks the 10th Anniversary of True Father's Holy Ascension, which will be observed on August 14. We expect a live broadcast of the main ceremony to allow everyone throughout the world to join this important occasion with True Mother. We will update everyone with the broadcast details as they become available.

Just last week, True Mother announced a special 40-Day Devotional Period to commemorate the 10th anniversary of True Father's Seonghwa. Together with prayer and Hoon Dok Hwe reading, a significant part of the condition involves reaching out to members and old friends, who have grown distant, to share with them Heavenly Parent's love and reconnect with True Parents and our communities. This is a precious opportunity for us to remember our brothers and sisters, whom we haven't seen for a while, and encourage them to participate again.

True Father's Seonghwa Anniversary is also an opportunity for us to bring our offerings of gratitude to True Parents and honor True Father's legacy. The recommended donation is \$210 per family and \$120 for individuals, but your offering of any amount is sincerely appreciated and gratefully accepted. To make your offering online, please click the button below. You can also give at your local church.

Let us unite with True Mother, who is calling all of Heavenly Parent's and True Parents' children to come and meet True Father on the 10th anniversary of his ascension. Let us bring substantial results so that we can win a decisive victory in America and bring joy to God and True Parents.

### A new website for witnessing launched by Rev. Compton

[My Library](#) [About](#) [Log In](#)

It's an educational program - a series of videos that are each followed by questions. Please send feedback

to [compton.andrew@gmail.com](mailto:compton.andrew@gmail.com)

I have personally started witnessing with it - and now have two students.

The way it works is ...

I will assign spiritual parents their own sponsor number. When the people they witness to (their spiritual children) register for the program - they will be asked to give their sponsor's number. Then, all the answers the spiritual child gives to the questions that follow the videos, will automatically be emailed to their spiritual parent.

My hope is that this will help us in our witnessing campaign.

God bless you and your work  
Andy Compton
