September 17, 2022

Principles of Creation; Intro. to God and the God's heart of creation was presented to 6 students aged from 3 years old to 8 years old at the IPEC in Las Vegas.

First we prayed and then each presented their own offering envelope. Next all enjoyed cupcakes and whole milk to celebrate God's heart of creation. We loved Heavenly parents for His care to create the earth that cares for us, His children.

The lesson included a Bible quote from Roman's 1:20. Presented the 3 stages of growth and purpose of subject and object centered on God's purpose of creation. The character and nature of God Was found in the characteristics of male and female within the creation.

Everyone used crayons to draw creation and color-in the welcome sign.

Andy Shoultz Sr. Volunteered to teach this week with assistance from Mrs. Jasper and Mrs. Hershtein.
