

HPHC Las Vegas Shine City Project Shine City Project cleans up Sunrise Trailhead at Wetlands Park

Ken Doo
December 10, 2022

On December 10, 2022, Shine City Project cleaned up near Sunrise Trailhead at Wetlands Park!

Led by Sara, our team of seven Shine City Project volunteers helped to pick up litter near the trailhead.

Our group found an assortment of items including car parts, bullet casings, and a Christmas tree!

A volunteer also found some crystals which were speculated to be quartz!
