

HPHC Las Vegas Shine City Project distributes food at Doolittle Community Center

Ken Doo
December 17, 2022

On December 17, 2022, Shine City Project helped to distribute food to families and individuals at the Doolittle Community Center!

Working with The Just One Project, our nine Shine City Project volunteers helped to pass out packaged beef stew, eggs, mac and cheese, tortillas, canned vegetable soup, grapes, frozen chicken, and sweet potatoes!

Though it was cold, our bodies quickly warmed up once we started the food distribution.

We hope that we could bring some joy and comfort to families and individuals during this holiday season!
