

## HPHC Las Vegas Shine City Project at Catholic Charities of Southern Nevada

Ken Doo  
January 7, 2023

For the first service project of 2023, Shine City Project volunteered at Catholic Charities of Southern Nevada!

On January 7, 2023, our Shine City Project volunteers assisted with the community meal service for outside guests. On the menu was roasted pork loin, mashed potatoes, and mixed veggies!

We had nine volunteers who came to help out with the service project. One of our volunteers helped to pass out water as people were entering the dining facility, and another volunteer helped to dish out food onto the trays.

As people were eating and finishing up their meals, the rest of our volunteers helped to wipe down and sanitize tables, as well as collect dirty plates and trays.

As people were leaving the dining facility, we thanked them and wished them a good day!
