

Las Vegas Holy Community Shine City Project Cleans-up at Duck Creek Trailhead

Ken Doo
March 11 2023

Shine City Project cleans up at Duck Creek Trailhead at Wetlands Park on March 11, 2023.

There was an abundance of litter that could be found along the nearby wash with the most common items being plastic bottles and plastic containers.

Other items that were found were a metal folding chair, basketballs, and a basketball hoop!

We had seven volunteers with one joining us for the first time!
