On Sunday June 17 before Sunday Worship Las Vegas Family Community gathered in the Main House of CHG for the 56th Day of All True Things Celebration. 60 brothers and sisters attended. This beautiful and holy ceremony started with a Gyungbae and Pledge, then Brothers and sisters sang the CIG national anthem. Sister Mimi Morse offered flower bouquets to True Parents and the Day of All True Things cake was cut by elder Blessed Couples and church project leaders.

At this point, brother James Oberg shared True Father's words about the meaning of Day of All True Things. And Rev. Doo gave a chronological overview of all 4 major holy days and explained the process of God's restoration of Creation through these events. He especially emphasized the value of the holy days for us and our decedents. Everyone could understand and be proud that our True Parents went through so much to establish True Day of All Things and to advance God's Providence in this way.

After Rev Doo's message, a congratulatory song was offered by sister Rachael McDaniel and brother Jeffrey Silerio offered Ok-mansei to conclude the Day of All True Things Celebration in Las Vegas.
