

Family Church of Connecticut: Spiritual Cleansing Is Essential

Simone Doroski
March 14, 2025

Dear,

Just as we cleanse our bodies, spiritual cleansing is essential to maintain purity of heart and mind. Negative spiritual influences can affect our thoughts, emotions, and even our life circumstances. Through prayer, sincere repentance, and aligning with God’s truth, we can protect ourselves from these forces. Additionally, ancestral liberation is crucial, as unresolved pain and mistakes from our ancestors can impact our lives. By offering devotion and assisting them in their spiritual journey, we free them from suffering, allowing them to become sources of blessing rather than burden.

To prevent evil spirits from influencing us negatively, we must live a life centered on God’s love and truth. A heart filled with faith, gratitude, and service naturally repels darkness. By staying connected to God through daily prayer, practicing forgiveness, and living in alignment with divine principles, we create a strong spiritual shield. When we cultivate goodness within ourselves, we become lights that darkness cannot approach.

In faith and gratitude,

Pastor Simone

Special Grace

We are in a Period of Special Grace going from February 2 to April 12. This is a time when we can prepare our hearts to receive forgiveness from True Parents for past mistakes, forgive others and make a new determination for a life centered on the heavenly tradition. This is an opportunity to leave the past behind and join True Mother in making a new beginning.

How to prepare for Special Grace?

The following devotional conditions before attending by each participant are encouraged:

1. At least one week (7 days) of intentional devotion as determined by each family, including Hoondokhae, reflection, prayer, bowing. Please take this time to have intentional heart to heart conversations as a family and honestly address anything that needs to be addressed.
2. Participation at least one time in a Cheon Shim Won Night Prayer Vigil (in person or online) during the one-week devotion period.
3. Study of Rev. Dunkley's Discourse on True Mother's Revelations series during the one-week devotion period and beyond (access the course [here](#)). You can either join the Northeast 7-day devotion or study at your own time with your family.
4. Registration and completion of a financial donation of gratitude based on the number 13 from each participating family or member. Use [this form](#) to make the

donation. You can complete this on the registration form preferably or you can write a check to HSA-UWC.

5. Completion of a Statement of Resolve to Start Anew document to be presented during the Holy Wine Ceremony (download [here](#)).

Please be aware that in order to participate in the holy wine ceremony, the 7-day devotion, CSW prayer vigil, donation and registration, and statement of resolve, are to be completed.

The Special Grace will be bestowed through True Mother’s prayer during the Cosmic Blessing Ceremony on April 12, 2025. Please plan on joining through the live broadcast if you don’t plan on being in Korea at that time.

The subregional holy wine dates are February 16th, March 9th, and March 30th. Check with your local pastor to confirm.

Please don’t struggle alone, reach out to your local pastor or the northeast team if you have any questions or concerns. I truly hope that everyone will take this opportunity to make a new beginning.
