The Boston Family Church had a high-spirited Marriage Blessing ceremony carried out in coordination with the live broadcast from Korea. One couple, Patrick from England and Ivana from Boston, Massachusetts, received the Blessing.

The ceremony was officiated by True Parents, represented by the local pastor couple, James and Kinuyo Edgerly. One hundred Unificationists and guests were in attendance. The audience began arriving about one hour before the Blessing ceremony to watch the pre-program in Korea and enjoy light food and beverages, and stayed until long after the broadcast was completed. They enjoyed a wedding cake, toasts and cheers together.

“After our beautiful experience this evening, others will be more confident to support local Blessing ceremonies in the future,” said Rev. Edgerly.
