**Honest Real Talk with Questions, Answers and Discussion
Up Close and Personal
Today 4 -- 6 pm Melford, Sat May 2**

Don't miss this incredible Pentecostal Pastor's story today at Melford 4 -- 6pm today.

Rev Edward's wife Tanya is now serving as pastor of the main FFWP church in New York City!

An inspiring example of putting the call of God before earthly considerations

(Rev. Edwards will also give a terrific sermon message at New Hope *tomorrow* Sunday. But today's, 4pm talk will perhaps offer more personal engagement.)

This is a chance for members to hear Rev. Edwards insights and experience into life, faith, and his amazing story of how he came to know True Parents. And what he recommends for plans and actions right now.
