

Family Church of New York City: Future Announcements!

Tanya Edwards
February 25, 2018

Hello everyone, hope you're having a wonderful week and a blessed Sunday so far!!

If you have an announcement that you would like to make for Sunday service, you can email anytime to: thefcnyc@gmail.com and once approved by Pastor Tanya, we will announce it at service. However, if you would like to make an announcement AND put it on the bulletins/programs that you get beginning of service, you MUST email it to the church's email by 4pm every Saturday. After 4pm, no more announcements will be posted on the bulletins. This will make it easier for me to print out the bulletins on time Not only does this apply for announcements, but any pictures or slideshows that you would like to present must be sent by 4 (5 latest if you really need more time to prepare) pm on Saturday. This would also make it easier to put everything together on the slides beforehand instead of meshing things last minute/the day of the service. any questions regarding about this announcement email me via the church email. Thank you for your hard work and participation as always and I look forward to seeing you next Sunday!
