Dear brothers and sisters,

Greetings!

This coming Sunday, 3/25 and Monday 3/26, Mrs. Gil Ja Sa Eu (Mrs. Eu, widow of the first President of HSA-UWC, Mr Eu) will be visiting our region. The topic of her message is: **Inheriting the Victory of Danbury.**

The programs will include intro and short remarks by Mrs. Eu, a pioneer of our early movement.

Mrs. Eu will comment on current events, encourage new lecturers, do a Q+A session, and have the chance to meet individual members.

On Sunday, the gathering will be after service at 11:30 am at 4 west 43rd st. On Monday, the gathering will be at Belvedere at 6:30 pm. All brothers and sisters from Westchester and the upper regions of District 2 are invited.

I encourage all our members to come receive the message of our elder sister as this will be a very special opportunity.

Thank you.

Sincerely,

Dr. Kone
