

## **CARP Las Vegas was approved for funding by the UNLV Student Government**

Jinil Fleischman

April 24, 2017

On April 24th, CARP Las Vegas was approved by the UNLV Student Government (CSUN) to be funded as an official UNLV Registered Student Organization.

CARP President Jinil Fleischman presented in front of the CSUN Senate.

CARP was approved for an amount of more than \$7,200, that covered a variety of projects including: marketing expenses, a trip to Washington D.C.

for the 40th Anniversary of the Washington Monument rally, CARP's Day DP workshop in December 2016, and CARP's recent trip to the GPA Family's workshop.

The senators recognized the value that CARP brings to the UNLV student body and the Las Vegas community, and passed the budget without any questions or dissent.

We are grateful for CSUN's support, and can claim it as a condition that UNLV supported True Parents!
