

Lunch for Second Generation Knowing the Faith of our Parents

Linz, Austria, 5. January 2013

Out of 72 invited came 30 second generation to the lunch and program. Three of them do not come normally to our events. For the lunch Fam. Hans and Mirjami Ledermüller took responsibility together with some volunteer parents.

The music program, two presentations about the Austrian Youth Department (Ewald Schenkermayr) and Youth UPF (Marlies Haider), was entirely performed by the second generation. Games were organized by Gabriel Beutl as the local Harp leader. Hans Brunnerbauer, the city leader for Linz, gave the introduction and the keynote speech.

Each of the second generation got a name card with an individual quote from True Father's speeches and Fam. Moshammer donated for each second generation brother and sister a beautiful handmade bookmark with a quote of True Father on it. Each of them got also an autobiography of True Father for their personal HDH.
