Dear friends,

The devastating explosion in Beirut on August 4th has destroyed almost half of the city, wiping out whole neighborhoods and causing hundreds of deaths and thousands of injured people.

Associates of WFWP-Europe in the area have confirmed that thousands of families have lost their homes.

Aware of the tragic moment that Lebanon is going through, WFWP-Europe has taken the initiative to launch a campaign to raise funds that will allow for the reconstruction of houses and much needed distribution of food.

Therefore, we are asking you to help alleviate the Lebanese people's pressing needs at this moment by joining this campaign and making a donation. All funds collected will reach their intended destination.

In the face of such a humanitarian emergency, there is no time to waste!

Thank you sincerely,

Carolyn Handschin, President, WFWP Europe
