Parents Matching Convocation to be held in the USA, early October

David Hanna
September 13, 2013

To all Blessed Families,

If your son or daughter is a blessing candidate and you would like to have their profile displayed at this Convocation in the USA, please inform Orlande Schenk, ESGD Director before October 10th 2013.

(Please note: inclusion in a display of profiles in other regions is not automatic, it requires a renewal of permission each time - in order to respect the wishes and privacy of parents and candidates.)

Yours,

David Hanna
Director, Blessed Family and Education Department
