

Start of our ESGD Prayer Condition

July 2, 2014

Dear All,

We want to invite and remind you to join our 21 day prayer condition, starting today and ending on the 21st of July 2014.

The summer is always an intense time, since it is often the only time for us to connect to our friends from the bigger European and global network. It is also a valuable retreat from our busy daily lives & a chance to reflect on how to move forward. Let us prepare for that time well during these 3 weeks.

Please join hands for the summer activities: the final preparations of the activities, for the spiritual and physical health of the staff and participants and for the overall success of the workshops. Also take this chance to prepare yourself internally and get the most out of the workshop(s). Set goals beforehand and get ready to meet new people, receive content and inspiration this summer.

We appreciate your positive thoughts and prayers you will send for the activities. Be sure to check out our website, Facebook page and Twitter for updates and inspirations.

Football workshop: 22nd – 30th of July, Chamarande, France
