

FFWPU Europe - Cranes Club

Patrick Hanna and Bogdan & Yoshiko Pammer
April 24, 2015

Dear Brothers and Sisters,

To ensure that we prepare the room set-up and seating arrangement well, we need to make sure that everyone has registered by **Midnight of Thursday 30th April** for the **Cranes Club Europe Kick-Off**. Please register as soon as you have decided that you want to come. This will ensure that you do not miss the deadline and will also be appreciated in helping us with preparations.

Please note that you are not registered for the Cranes Club Europe Kick-Off if you only registered for the main event. You are registered for the Cranes Club event only once you have filled in the online form and have received a confirmation email. We have almost reached full capacity and therefore might not be able to consider all applications.

Thank you for your understanding and we look forward to seeing you in Vienna!

Yours Sincerely,

Bogdan & Yoshiko Pammer
