Dear Blessed Families,

We would like to inform you there is an International Blessed Family Convocation being held in Tokyo Japan on the 28th of May, this coming Saturday. The focus of the convocation is on international matchings. We apologise for the short notice, but it may just suit someone who is looking for an international (Japanese) match.

If you are interested, please act quickly and inform Orlande Schenk at [pmc@esgd.org](mailto:pmc@esgd.org) until 26th of May if you want your child's profile to be displayed.

The easiest way is to have or create a profile on [www.bcmatching.org](http://www.bcmatching.org) Otherwise you can also send the profile directly to Orlande.

Many thanks,

David Hanna,
