Matching and Blessing Workshop: Internal and Practical Guidance - Remember: We are Made in God

Dear brothers and sisters,

We are very grateful for the in-person Matching and Blessing workshop that took place 16-19 February: how great to be together! We want to thank everyone for contributing to a wonderful and meaningful three days spent as the holy community.

The workshop was attended at maximum capacity (we were a group of 60). The education was prepared by the ESGD senior staff (Geros, Yebuny, Patrick, Julius, and Martin) and covered topics around understanding God's lineage and the Fall, the courses of 1st Gen and of 2nd Gen connected to restoration and the Blessing ideal, helping us to understand and connect to True Parents and our own parents more intimately. We could explore important aspects of how to navigate and elevate our matching tradition. And how we can create space for God to guide us through the process as families.

Together, we could find some personal encouragement and direction for the steps ahead. We want to wish brothers and sisters all the best on your Matching and Blessing journey. Let us continue to support each other and stay connected.

Sincerely,

The ESGD team
