

Interfaith Meeting in Copenhagen, Denmark

Nobuhiro Igarashi
May 5, 2019

This time the topic was "Eternal Life".

A state church (Lutheran Church) pastor, a spokesman of Ahmadiyya Muslim community and a representative from us shared their presentation about it.

20 religious leaders including our members gathered and share their idea centring on the topic.

It was a cozy meeting with deep sharing.

After the meeting we had dinner together and we shared more.
