Eighty people joined in the Blessing and Foundation Day celebration at the Dallas Family Church. One local couple consisting of a Unificationist born bride and groom received the Blessing. The bride's parents traveled from Korea to join them, and the whole congregation came out to support them.

“After True Mother’s speech, we all felt so much hope for the future of Cheon Il Guk and the next four years,” said Pastor John Jackson.

After the Foundation Day Blessing, everyone met in the fellowship room for a reception.
