

FFWPU USA Subregion 4 - Final updates on Camp Lone Star

B. Schneider
June 9, 2020

Thank you all for your continued support this year through the many changes in our workshop this summer. I believe many of you are connected to our CLS facebook page and have seen the updates through that. In the last week, we have sent out a rough draft schedule of what our camp will look like, as well as finalized fees and staff positions we are still looking for. I will present all this information again in this email.

Registration for staff, participants, t-shirt design, and scholarships are available [here](#). Please have your communities apply as soon as possible so we can plan accordingly.

Staff:

Captains/co-captains: In charge of leading discussions and connecting with teams remotely. Provide love and support wherever your team is and find creative ways to bond.

Activities: Support activities core staff with assembling and distributing activities packages

Photo: Help document and collect photos and videos from each family and help photo lead with preparing slideshow/video for the end of the workshop

Art: Support activities core staff in leading and coming up with art activities

If there are other ways you believe you can contribute please let me know!

We are also still looking for more participant applications! The more the merrier!! And we are still looking for t-shirt design submissions.

Fees:

Staff: \$20

Participant: \$75

Scholarship and T-Shirt design winners: \$20

These fees will go towards the cost of the t-shirt, activities supplies, and accounts needed to run this virtual workshop, as well as supporting future CLS workshops. We hope that with these reduced fees many more people can attend!

Schedule:

Ideally, we would like each person to devote their full week to camp as they would at a normal workshop. I believe this is how you will get the most out of the experience, to be fully immersed.

However, I know that may not be possible for everyone. Right now we are planning 3-4 hours online for participants and 4-5 online for staff. Here is our current [rough draft schedule](#)

The items in color are online whereas the items in grey or white are offline.

Finally, tomorrow will mark 21 days until the start of our participant workshop on June 28th. We will be starting a prayer and HDH condition with our staff, but I want to welcome all of our community to pray with us during this time, that each person can feel connected in heart and be in an environment where they are able to feel God's love and the love of their CLS community. This has not been an easy year, the past few months have been difficult for our whole world, and while CLS usually marks a time where we can all be physically together, this year we also have the challenge of trying to make meaningful connections when we are still separated by distance. I hope that you can join us as we can continue to prepare our hearts for what I hope will be another incredible and inspiring summer workshop.

Thank you all so much for your support! Please share this information with your communities, and let me know if you have any questions!

Love Always,

B. Schneider
Director
