Chris will discuss the following topics:

1. The nature of the spirit world and the different kinds of spiritual events that occur there.
2. The diverse methods of spiritual communication, and who prefers to use which methods.
3. Ways that God communicates in the invisible world
4. Movements between different realms in the spirit world. (from realm to realm)
5. The various degrees of accountability of ascended Unificationists. (optional)
6. General discussion, questions and answers.
- 7.(optional): the state and reality of Lucifer, Eve,

Adam, Cain, Abel, and other well-known figures, inclusive of ascended Unificationists. They may themselves wish to speak, but Chris will add a disclaimer on their freedom of expression—ie. why some may not be allowed to say what they initially wished to say.
