

# Football Workshop 2014

Chamarande Training Center, France, 22. – 30. July 2014

**D**uring this workshop, we trained 2 times 2 hours per day.

We had 2 friendly games and a tournament on Sunday with 6 teams.

We received great lectures from Rafael Guignard, Julius Alexis, Laurent Ladouce, Dominik Dedours, Sean Greaves (core values with sport examples...).

We had different activities: Bowling, Sight-seeing in Paris, Swimming, Prayer evening...

It was a very successful workshop where we could involve the CARP, the HARP, some French members and also outside people who could come for the tournament. Our national leader, Jean-François MOULINET, came for the graduation!

It was a very good experience for the participants and also for us (the staff).

A big THANKS to the cook, Ursula and Gretl, and also to Francis GUICHARD, Yves THIEBAUT and Tomek WESOLOWSKI!!
