

Luxembourg's Pre-HARP Workshop Understanding Heavenly Parent's Heart

Jean Francois Moulinet

June 4, 2019

From 2 to 4 June 2019, Stephanie Meier, pastor of the East France region, organised a 3 day pre-HARP workshop at the home of a 2nd generation couple in Luxembourg for their children and the children of a first generation couple who live in nearby Metz, France.

2nd and 3rd generations could spend a fruitful time together, understanding better our Heavenly Parent's, True Parents' and Jesus' heart.

The atmosphere was studious, but also joyful and friendly.

They drew beautiful drawings and played intellectual and sporty games.
