Dear Brothers and Sisters,

Thank you very much for joining yesterday's webinar on Social Media and Digital Marketing. You can watch and download the recording at: vimeo.com/443707262

In response to the request to hold a webinar for all those who are beginners in using social media tools, we will host a special webinar today Sunday, August 2, 2020 at 16:00 CET. The Zoom link is: zoom.us/j/478639638

The recording of the webinar will be made available for all those who might be busy attending other meetings at the same time.

And this week we were particularly encouraged to announce you that Mateo Ziko could finalize the Exhibition Website in French. You can see it with the link : www.thelegacyoflove.org/fr.

Please visit regularly www.familyfed.de/smm100-materials.html to discover the new material we provide to help you. If you have started something, we would be VERY INTERESTED to learn from your testimonies: What have you been doing? What worked? What are your difficulties? What are your ideas and suggestions? It is particularly interesting to hear from individuals, families, and small groups who might be trying to do something creative. Also if you are struggling to make something work, or looking for ideas, write to us also. (please send them to: sg4arts@yahoo.co.uk).

We wish you a very nice week-end.
