Taking into account the providential race and the desire to fulfill True Parents' request by 2020, it was held on August 11, 2019, at the Light of Heaven spiritual church where pastors have been blessed members since the 2018, Heavenly Tribal Messiah Blessing Ceremony in which Angola blessed 27 couples from among these Pastors, Members of the different Churches, Youth representative of the ruling MPLA party.

This was followed by the words of the blessed families director explaining to couples and those present the importance of this great act and its impact on the hearts of God and true parents, making it known that they now have much more responsibility within society as they had to educate their children according to the values taught by True Parents, couples committed to lead a solid family life, living by True Parents' standards and teachings.

The ceremony was attended by the True Parents' Emissary in Angola. The National Messiah, Reverend Kurt Sattlberger, were also present Government Members, 6 Churches. There are many devotional moments from the choir groups of the different Churches present, including the New Hope choir of the FFPWU-Angola.
