As our beloved True Mother walking a Cosmic Cannon Course for the firm establishment of Cheon Il Guk, and we hope to do our best to support Heavenly Parent and our True Mother to bring about their dreams and the victory of vision 2020. We held a blessing festival on December 1, 2019 in our headquarters in Luanda.

This was a Heavenly Tribal Messiah blessing and we had 132 participants and among them 6 couples (5 couples and 1 widow) received the blessing of marriage. Participants pledged to lead a standard and solid family life following the Heavenly Parents.

The ceremony was officiated by our national leader and his wife. They were attending True Mother in her great event in Niger. And right after arriving we held the blessing event.

This was a joyful and great blessing for our people, which we hope to continue till we bless all the citizens of Angola as the Cheon Il Guk citizen.
