

YSP Angola's character education in Luanda city, Huambo and Malanje provinces

Kinambuta Sambu Pedro
January 2020

Luanda, Angola

YSP Angola held a character education conference in Luanda twice, in Huambo province twice and once in Malanje province in 2019. We made partnership with several universities and colleges where we introduced YSP to each staff of the institutions as well as to the non-governmental and youth organizations. We had meetings with several youth organizations in the country to address youth issues and present our programs for youth and make them aware of taking responsibility as young people for future leaders today.

Huambo province, Angola
